Traditional international chess tournament

«CHESS DAY CLASSIC - 2017»

Kyiv, July 14 - 20, 2017

Tournament organizers: Ministry of Youth and Sports of Ukraine, Ukraine Chess Federation and Public organization "Chess Center".

Purpose and objectives: popularization of chess in Ukraine, perfection of skill, possibility to take part in international competitions of European and world levels.

1. OPEN Tournament on classic chess with ELO FIDE calculation.

2. Term and venue:

Competitions are held from July 14 to July 20, 2017 at the following address: Kyiv, Dorohozhitska st., 15-A, Chess center "TOVARYSH" (M. Dorohozhichi).

Check in: July 14 from 14:00 to 15:55. The competition starts July 14th at 4:00 pm.

Pre-registration - SMS to +38 097-473-43-14 or a letter to mail tovarich18@meta.ua with the following contents: Surname and First name in English, number ID FIDE, ELO FIDE, state.

3. The system of conducting: the Swiss system in 9 rounds.

Time control - 90 minutes + 30 seconds for each completed move, starting with the first one.

Delay time is 60 minutes.

The determination of the couples of the next round is carried out after the end of all the lots of the previous round under the computer program FIDE Swiss Manager (Ver. 12.0.0.171) according to FIDE ratings. The tournament is conducted in accordance with the "Rules of the FIDE Chess Game" and "FIDE Tournament Rules", which are valid from July 1, 2017.

4. Definition of winners: Participants are determined by the highest amount of points earned.

In the case of equal number of points in two or more chess players, the advantage is given:

- full coefficient of Buchholz;
- shortened Buchholz coefficient 1 (without one worst result);
- shortened Buchholz coefficient 2 (without two worst results);
- by the number of victories;
- As a result of a personal meeting, provided that they played with each other;
- on results of additional matches Armageddon from two parties with time control 3 minutes with the addition of 2 seconds before the end of the game to each participant (only to determine the winners).

To calculate the Buchholz coefficients in games that have not been played or in which both participants have not done at least one turn, they are considered to have been played with a "virtual rival".
