

## The documentary film "At the Edge of the Abyss" was shown in Yekaterinburg

---

At the initiative of the President of the FSSO Andrei Simanovsky

On Friday, February 21, on the eve of the Defender of the Fatherland Day, in Yekaterinburg, in the office of the Sima-Land company, a screening of the documentary film "At the Edge of the Abyss" was held, its first part - "Breakthrough to the Center". The film is based on documentary footage of the fighters of the Somali assault battalion during the battles for Mariupol in March-April 2022. This large strategically important city of Donbass is located on the coast of the Sea of Azov, fierce battles were fought for it.

After the end of the film, documentary filmmaker Maxim Fadeev and general producer Sergey Belous answered numerous questions from a huge audience.

The Chess Federation of the Sverdlovsk Region (President Andrey Simanovsky) became the first regional chess federation to support the initiative of the CFR President Andrey Filatov and

organized a screening of this film.

On Monday, February 17, the [film was shown in Moscow](#) at the Central House of Chess Players named after M. Botvinnik and also aroused keen interest among the audience. The Chess Federation of Russia invites all regional chess federations to organize a screening of this film in their regions.
